RE: State Employee Charitable Campaign Local Campaign Manager Applications

PUBLIC NOTICE

The State Employee Charitable Campaign (SECC) El Paso Area Local Employee Committee is accepting applications from charities interested in serving throughout 2025 as Local Campaign Manager for the El Paso Area SECC region.

Note: This application is different than the one that will be posted for any charity wanting to participate as a potential beneficiary of state, higher education, or retired employee donations. A charity serving as a SECC Local Campaign Manager, helps manage the day-to-day operations of the campaign throughout the year.

Contact Norma Rincon at norma.rincon@ttuhsc.edu or 915-215-6281 for more information or a 2025 Local Campaign Manager application packet. Applications may be mailed or delivered to Texas Tech University Health Sciences Center El Paso, 6060 Surety Dr., Suite 210 El Paso, TX 79905 but must be received no later than Midnight CST, Monday February 3rd.
